Sir:

Applicants hereby submit, for filing in the above application, a Sequence Listing. In lieu of a computer readable form and in compliance with 37 CFR §1.821(e), Applicants hereby attest that the information in the enclosed Sequence Listing is identical to the information in the Sequence Listing and computer readable form which were filed in connection with related USSN 08/461,333, filed June 5, 1995. Therefore, please use the computer readable form from related USSN 08/461,333, as the computer readable form for the present application.

This submission introduces no new matter, and two copies of this paper are enclosed.

Respectfully submitted,

By:
